

Digital Tool Audit Worksheet

Why Audit Your Digital Tools?

Most small craft businesses end up with a tangle of overlapping subscriptions, free trials that became paid plans, and tools they no longer use. This worksheet helps you see everything clearly and cut what isn't earning its keep.

Part 1 — List Every Tool You Pay For

Tool name	Monthly cost	What it does	Still using?	Keep / Cut?
_____	£ _____	_____	Y / N	K / C
_____	£ _____	_____	Y / N	K / C
_____	£ _____	_____	Y / N	K / C
_____	£ _____	_____	Y / N	K / C
_____	£ _____	_____	Y / N	K / C

Part 2 — Free Tools You Rely On

List free tools you use regularly (these are assets — treat them as part of your business):

1. _____ Used for: _____
2. _____ Used for: _____
3. _____ Used for: _____

Part 3 — The Essential Stack for a Craft Business

You need tools in these categories. Tick what you have:

- ☐ Website / shop platform (Etsy, Shopify, Squarespace, WooCommerce)
- ☐ Email marketing (Mailchimp, MailerLite — both free to start)
- ☐ Social media scheduler (Later, Buffer — free tiers available)
- ☐ Photo editing (Snapseed, Lightroom Mobile — free)
- ☐ Graphic design (Canva — free tier is excellent)
- ☐ Bookkeeping (spreadsheet, Wave, or QuickBooks)
- ☐ Payments (Stripe, PayPal, or platform-native)

Part 4 — Action List

Tools to cancel this month: _____

Tools to upgrade if growing: _____

Gap in my stack I need to fill: _____

Total monthly savings from cuts: £ _____
